Invitation

Be Our Special Guest

We are delighted to extend a warm welcome to you to visit SCHLEIFRING at the **DSEi 2009 in London**, the world's largest fully integrated defence and security exhibition, bringing together senior international trade and military experts from across the entire supply chain in an optimal business environment.

DSEi 2009 Exhibitor Guest Programme

Please register your attendance online at www.dsei.co.uk/invitation any time before Friday 17th July 2009

You will receive your badge from Monday 13th July 2009 onwards.

Entering the individual SCHLEIFRING code **SC10535** into the visitor registration system the visitor registration charge is removed, and you register to attend DSEi free of charge as per all previous DSEi shows.

If you have any questions or problems accessing or using your exhibitor registration code please contact applications@desi.co.uk.

SCHLEIFRING Technology manufactured by SCHLEIFRING in the UK and in the U. S.

New transmission technologies implemented into technovative slip ring solutions are our response to constantly increasing demands for higher data rates, longer lifetime and reliability.

Be sure to visit our booth, so we can thank you for being our special guest.
